Nominations for director shall be made to the corporation in writing by members of the corporation, using the corporation's Director Nomination Form, 21 days prior to the election. A nomination is not validly made unless the person nominated accepts this nomination by providing their endorsement on the corporation's Director Nomination Form.

Directors shall be elected by the members at community members' elections convened at each member community every 3rd year from the 2010 AGM.

The members from each Community shall elect or appoint the following number of members as directors:

All elected candidates will undergo a criminal history check, conducted by KWHB staff, prior to their endorsement as director at the AGM. If this check identifies that a candidate does not meet the criteria to become a director (KWHB Rule 5.11) then the next candidate in the line of voting from the election should be endorsed.

As soon as:

- the gift fund is wound up, or
- the corporation’s endorsement as a deductible gift recipient is revoked under section 426-55 of the *Taxation Administration Act 1953*

any surplus assets of the gift fund must be transferred to another fund, authority or institution, which has similar objectives to the corporation. This body must also be able to receive tax deductible gifts under division 30 of the *Income Tax Assessment Act 1997*.

### **13.2 *The corporation shall maintain a separate bank account for the Gift Fund.***

## **14. Changing the rule book**

The rule book can be changed by the members passing a special resolution at a general meeting or an AGM. The proposed changes must be set out in the notice of the meeting.

- Within 28 days after the resolution is passed, the corporation must send the Registrar copies of the:
- rule book changes
- special resolution
- minutes of the meeting.

The changes do not take effect until the new rule book is registered by the Registrar.

## **15. Winding up**

### **Surplus assets of the corporation**

Where:

- the corporation is wound up, and
- after all debts and liabilities have been taken care of, and costs of winding up have been paid, surplus assets of the corporation exist

the liquidator can decide or the members may pass a special resolution about how the surplus assets of the corporation are to be distributed.

The surplus assets must not be given to any member or to any person to be held on trust for any member.

### **Surplus assets of gift funds**

If the Australian Tax Office allows the corporation to give tax deductible receipts for donations, and the corporation is wound up, any surplus gift funds must be given to another body with similar objectives and that gives tax deductible receipts for donations.
