

KATHERINE WEST HEALTH BOARD

Katherine West Health Board (KWHB) is a strong, fully accredited Aboriginal Community Controlled Health Organisation providing a clinical, preventative and public health service to clients in the large outback region west of Katherine in the NT.

REMOTE AREA NURSES

Salary \$104,623 to \$112,402

Katherine West Health Board is seeking permanent full time Remote Area Nurses to work in our remote community health centres, providing quality health care to individuals, families and communities.

Our registered nursing staff work in multi-disciplinary remote health teams comprised of GPs, registered Aboriginal Health Practitioners and a growing complement of trainee Aboriginal Health Practitioners and administrative support staff.

At KWHB our RANs enjoy a high level of professional and practical support from visiting colleagues such as health program coordinators, a range of corporate services from Katherine staff, and cultural support from our Aboriginal staff.

Our remote communities also welcome the ongoing contribution of visiting specialists, and Allied Health staff, who consult in our region frequently.

Furnished accommodation, including phone and electricity subsidies, are provided for RANs based in remote communities whilst working in the clinic. KWHB offers an attractive salary package including six weeks annual leave including leave loading, professional development leaves, FOILS (travel out of isolated lands entitlement), a relocation allowance and generous salary sacrifice provisions.

Many opportunities to attend training both inside and outside the communities are also a feature of employment for permanent RAN staff of KWHB.
