

STAY AT HOME

to protect yourself and your family from COVID 19 or Coronavirus 

You should stay at home, the only reasons you should leave your house is:

1 You are getting food from the store

4 You are going to work or school

2 You need to go to the clinic

5 Going to collect bush tucker but only with the mob who live in your house

3 You are exercising with the mob who live in your house or 1 other person
